Clarifications:

Question:

Reference RFP Section 1.4.G: Rockwell Automation has discontinued the Solution Partner Program.

They replaced it with a System Integrator designation that has four levels, Bronze, Silver, Gold, and Platinum.

As of this date, Rockwell has not awarded the Platinum level to any company.

The current equivalent to the Solution Partner designation is Gold System Integrator. Please change the requirement from Solution Partner to Gold System Integrator.

Answer:

See changes to contract specifications below.

Question:
